

# MSP Updates: New Core Data Layout

## Effective: January 2024

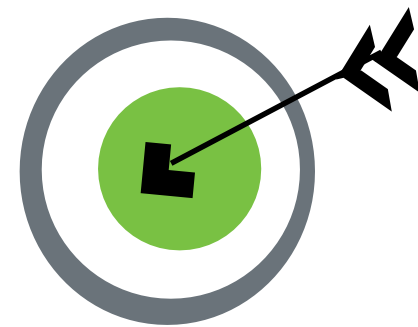

Medical Services Plan (MSP) Payment Information File contains data on fee-for-service and encounter (shadow) claims for medically necessary services provided to individuals covered under BC's universal insurance program:

<https://www.popdata.bc.ca/data/health/msp>

### FIELD CHANGES

- Related payment amounts in separate fields are combined into consolidated amounts:
  - ✓ paid amount
  - ✓ rural amount
  - ✓ rollback amount

### KEY

### TAKEAWAYS

### FIELDS NOW AVAILABLE

- Patient demographics from claim record
- Provider information

- ✓ Date range: January 1, 1990 onward
- ✓ Transactional (often multiple) records per service are now rolled up into one record per service

### FIELDS NO LONGER AVAILABLE

- Explanatory codes
- Detailed payment amounts (now included in consolidated amounts)
