they count everything in cash making it easier for people to track their available rewards another good thing is that you would not have to play games or take surveys you can get started as soon as you create an account

**you can send at least 4 000 in a single transaction with paypal with cash app you can send up to 1 000 per month though you can get a higher send limit by providing your full name date of birth and the last four digits of your social security number unless you complete identity verification your send limit with venmo is 299 99 per week**

**the survey price would vary and depend on factors such as length of the survey difficulty level etc but its average pay is also pretty satisfying and better than others in the market you can get paid through paypal and get your earnings converted into amazon and itunes gift cards**

the cheapest way to send money internationally is to transfer funds directly from your bank account to a recipient s bank account most transfer services charge additional fees for debit card or credit card payments and cash pick ups credit card payments will incur additional charges from your credit card provider

you can redeem your earnings for gift cards paypal money or travel miles you earn points for every task you complete it takes up to 5 days for the money to be credited to your paypal account and you can withdraw the money once you have earned a minimum of 5 the nice thing is that they pay 10 amazon or visa gift cards after making a purchase of 20 at any online store

paypal funds do not expire you can leave them in your account for as long as you would like if there is no activity on your account for a prolonged period of time paypal may be required to send the funds to your state marked as abandoned funds this usually will not happen unless your account has been inactive no logins for three years or more it s recommended that you log in and use your paypal account at least once a year if you want to keep funds in a paypal account for a longer period of time without making purchases or withdrawals it would be better to open a banking account
